O R D E R:

In the reference 5th read above, the Managing Director, AP Township & Infrastructure Development Corporation Limited, Vijayawada has reported that the Government is keen in reducing the cost of Goods and Services that are procured by various Departments of the State and decided to go for reverse tendering. Further, during the review meeting the conditions proposed for the reverse tendering in APTIDCO projects were discussed and it was suggested to keep all the conditions that were stipulated in the earlier tenders except conditions in respect of pre-qualification criteria which are to be relaxed so as to have larger participation and the competition thereon. Further, with regard to cap on tender premium, it was suggested to keep 0% (Zero%) cap on tender premium as the tender value of the original contracts are considered as estimated contract value for works for which tenders are being called for on reverse tendering process. Accordingly, the MD, APTIDCO has proposed certain conditions and requested to pass orders on (a) to allow licensed bidders registered with Municipal Department in participating tenders (b) to keep 0% cap on tender premium in the tenders (c) to accept the work experience of the works executed for the private organisations and a certificate from a statutory auditor of the entities from which the experience is claimed and (d) to calculate the bid capacity under the formulae 3AN-B instead of 2AN-B on par with Water Resources Department.

2. After careful examination of the matter, Government hereby accord permission to the Managing Director, APTIDCO (a) to allow licensed bidders registered with Municipal Department in participating tenders (b) to keep 0% cap on tender premium in the tenders (c) to accept the work experience of the works executed for the private organisations and a certificate from a statutory auditor of the entities from which the experience is claimed and (d) to calculate the bid capacity under the formulae 3AN-B instead of 2AN-B on par with Water Resources Department.
